Chairlady's Welcome

To all members of the South Staffordshire Caravan Centre old and new, I would like to say thank you for the opportunity to take the lead through the forthcoming year with the Committee. I am so excited to let you know as we go along the year what is in store for taking South Staffs Centre forward.

I will be running regular meetings with the Committee and take on board all their thoughts and ideas and hope that the Centre will benefit from this. I will be running rallies that will be fun and that you will all want to come back to the year after. I plan to introduce some trophies back into rallies so watch this space. I am also looking at holding rallies in places where there will be events running, whether it be flower shows, car shows, markets and day trips. As I am the Rally Secretary for the time being, I hope I can keep up with planning and working the two positions as well as my own job.

I plan on having the Committee push that little bit harder to gain new members with the implementation of vouchers emailed to new members as they join us. I am also updating equipment soon to accommodate future socials. We could not have done this without the members support on rallies and the fees, so thank you very much. I will also be seeking out entertainment on some rallies so if you know of any good groups or solo artists then shout up and get in touch, this is your Centre too and should have a say in what we do.

As a last note I would like to say that I am really looking forward to the new rallies we are holding and we desperately need some new Marshals to help. Even if you just Co Marshal with an experienced Marshal you will get your rally free. Spread the word.

So let me say thank you to the Committee and the Centre for giving me this chance to put the Centre back on the map and back in the magazine and I look forward to seeing you hopefully on most rallies.

27: Bad behaviour will not be tolerated, and offenders whether adults or children will be asked to leave the venue.

28: Bookings for weekend and holiday rallies must be made 15 working days prior to rally in order to guarantee a rally plaque.

29: Gas heaters in marquees, gazebo's or any canvas structures are not to be permitted due to Carbon Monoxide fumes being emitted & also due to the safety aspect of concentrated heat rising causing localized heating and therefore a fire risk. It is suggested that electric heaters are used with 1 unit per 3kw feed cable and an RCD breaker is used. Protect heater from rain, tent fabric etc.; and do not leave unattended. Any ralliers found to be in breach of any Centre Rule may be reported to the Committee by the Rally Marshal, or other Committee Member.
